# THE '52 WAR WHOOP

# DEDICATION

The annual staff lovingly dedicates this- -our fifth school year book- -to the memory of Billy Floyd, a fellow classmate and member of the 1951 graduating class, who lost his life while in the service of his country.

## Senatobia City Schools

OTHO MONROE, SUPERINTENDENT

Senatobia, Mississippi

Dear Students,

Senatobia City School is symbolic of friendliness, co-operation, high scholastic standards, and many other worthwhile attainments. It has been built around the standards set by you and the classes who have graduated before you.

This book is not confined to reproductions of your likeness. Herein, you will find reflections of your school spirit, of your ability to win or lose, of your attitude toward your fellow students, of the history of things past, of the prophecy of things to come. The reflections are clear and we feel they are good.
